

January 15, 2016

With the introduction of the new SU99 Elite™ with NexGen™ Circuit technology platform, to be distributed through WestPrime Healthcare, WestPrime Systems, Inc. announces the end-of-sales and support for the SU99 UltraNeb platform products. For clients with active service contracts, support will be available until the termination date of the contract, even if this date exceeds the End-of-Life date shown in Table 2.

WestPrime Systems, Inc. provides this End of Life policy in order to assist its customers with adequate notice for product conversion.

**Table 1: End-of-Life Events and Definitions**

Events	Definition
End of Sales/Life Announcement Date	The date WestPrime Systems, Inc. announces the end-of-sale and end-of-life of a product to the general public.
End of Sale Date	The last date for net-new orders of the affected product(s). The product is no longer for sale after this date and the product has been sunset. Customers who have existing deployments of a specific product will be able to order those products until the Last Service Contract Renewal Date.
Last Service Contract Renewal Date	The last date to extend or renew a service contract for the product.
End of Life/Support Date	After this date, all standard support services for the product are unavailable, and the product becomes obsolete.

This document serves as the formal WestPrime Systems, Inc. End-Of-Life Announcement Date for the products listed in Table 2.

### Products Affected by this Announcement

The following table identifies key end of sales, support renewal and support dates for the various SU99 UltraNeb platform products that are impacted by this announcement. Customers who have existing deployments of a specific product will be able to order those products until the Last Service Contract Renewal Date.
